## PYRETHROID INSECTICIDE TO TREAT INDOOR CIVILIAN AND RESIDENTIAL AREAS FOR PROFESSIONAL USE

### Composition

100 g product content:  
Deltamethrin (CAS 52918-63-5) 2.5 g  
Co-formulants q.s. for 100 g

### Characteristics

The product is an insecticide in the form of a concentrated suspension with strong knockdown effect. Tests on residues were carried out up to 4 weeks. The residual effectiveness varies according to the type of surface on which it is applied. It is advisable to reapply the product only if the infestation appears again. BLEU DELTA is an insecticide for the control of crawling insects (cockroaches, *Blatta orientalis* and *Blattella germanica* and ants, *Lasius niger*).

### Application field

The product is intended to be used by professional users exclusively indoors (e.g. houses, condominiums, hotels, warehouses, airplanes, private homes, hospitals, public baths, municipal buildings, schools, industrial buildings, churches, halls, community centres, cinemas, aircraft cabins, cabins, trains and vehicles in general where there is no contact with food and animals) for spray applications in cracks and fissures and barrier treatments on hard surfaces.

### Instructions and dosage

Apply the product with manual or mechanical spraying devices capable of producing coarse droplets. Shake the original container before use. Periodically stir the suspension during application to ensure complete mixing. Do not store the diluted solution. Prepare a fresh solution every time. Ventilate the treated area and wait until the treated surfaces are completely dry before returning. Do not use the product on a soft surface or on furniture.

Dilute 500 ml of BLEU DELTA in 100 litres of water and spray by means of a pressure pump using 1 litre of solution per 10 m<sup>2</sup> of surface. Do not spray into the atmosphere with nebulizers or other devices designed to create an aerosol.

Item	Code	Packaging
Bleu Delta	1-1003-1X12-BIO	1 l bottle in 12 piece pack
Bleu Delta	1-1003-1X5-BIO	5 l tank
Bleu Delta	1-1003-1X10-BIO	10 l tank
